FIVE
GUIDELINES TO DIGITAL LEARNING

1 RESPONSIBLE DEVICE USE

Follow school guidelines and protocols for device use, and always act with integrity online

2 DIGITAL CITIZENSHIP

Treat others with kindness and respect online. Be mindful of your digital footprint, once posted, it's there forever.

3 PRIVACY AND SECURITY

Protect your personal information and passwords. Be careful when sharing personal details or clicking on links unknown sources. Keep your devices systems up to date.

4 ACADEMIC INTEGRITY

Use technology and the internet to enhance your learning., but always do your own work and cite sources.

5 TECHNICAL TROUBLESHOOTING

Use computational thinking to overcome technical issues such as connectivity or software glitches, debug, tinker. Seek help when needed.
